CONGRESSIONAL & INTERGOVERNMENTAL

Rep. Barbara Lee (D-CA-13): Brent Maier received an inquiry from Jose Fernandez, Sr. Congressional Aide in the Congresswoman's Oakland District Office regarding a potential meeting concerning the MARAD-Alameda Point Channel Dredging Project. Jose had heard that MARAD officials and the City of Alameda are available to meet on November 14th or 15th and wanted to know whether EPA had heard about the meeting and is able to attend on either of those two dates. Brent reached out to Water Division's Brian Ross and Jason Brush and Jason let me know that we had heard of the potential meeting on November 14th or 15th, and that Jason Brush as EPA's representative on the LTMS Management Committee can be available on either of those dates. Brent also passed on to Jose that although it is a multi-agency meeting, scheduling priority should be with BCDC Executive Director Larry Goldzband. Jason will await further word on the final scheduling of this meeting.
